**Re: Barrington Shores  
Tax Map 121 Lot 28  
FES #2021**

Dear Ms. Gasses:

Farwell Engineering Services, LLC (FES) is pleased to submit this letter on behalf of Mr. Todd Green of Barrington Shores. This is in response to plan Notice of decision regarding Barrington shores. The following information is provided and plan changes per the Conditions Precedent noted in the Notice of Decision.

- Note changes: There were some minor note changes requested as well as addition notes regarding Rules Pertaining to Boats: This was added to the cover sheet
- We obtained Subdivision approval from the state eSA2022012401 – noted on plan
- We obtained Septic Approval eCA 2022012425 – Noted on plan
- We obtained a shoreland permit by notification – PBN # 01480
- I have attached the correspondence from Dubois and King that all issues have been resolved.
- Please note that there was a minor change in the location of CB-5 on the plans. The CB moved by approximately 10 feet in order to place the septic system.

Accompanying this letter is:

1. 3 full size sets of plans including shoreland, subdivision and septic approval plans.
2. The approval permit sheets for Shoreland Subdivision and Septic from NHDES
3. The final correspondence from Dubois & King

Thank you for your time and consideration in this matter. Please contact me if you have additional comments.

Sincerely,

**FARWELL ENGINEERING SERVICES, LLC**
